Chief Commandant's No. 289 of 16-8-99 making certain remarks and observations upon S. No. 5.

Submitted —

(a) No tents have come, but as this time of making D Private Century I was not aware there may come —

(b)(c) No pattern tent is being built at the Railway workshop - ~~Dropping by the bucket~~ ~~has not completed~~ Nor was supposed by Capt Jackson and the building of the tents entrusted to his Dept - who have found the material and the tents built when erected the work could be done quickly - Capt Fulbrook selected the Railway workshop — as he says the pumps - Nos. 2 and 3 could make them as the skins of he is given a pattern and the men to make them —

(d) No purchase of the tarpaulins have been sanctioned - hitherto the Water proof sheets - Nor pte expecting the purchase of the latter is dealt with by Capt Keenan - but I think you could sanction the purchase - as C.C. says they will come up for 1st mtg England —

(g) Chief Commandant has accepted Nos. 17/19/G is about Field Service Equipment tables, —

(H) No C.C. says that he has an Establishment D think in the pumps and hampers - same includes supplies Khaja Hassan will think them in England - She could do the pumps a week.*

(J) This has been done -

(K) Have also been done —

* Find is his present Establishment

By dear Sir

Mr 1st assistant Adjutant — at the request of the Inspector General Imperial Service Troops written enquiring what is his duties at the Durbar with appears of the Imperial Service Cavalry attending the Secunderabad and Bangalore Manoeuvres in the Camp called Sentry —

Mr Chief Commandant has written & say that he would like his Regiment — What do per day? — and what transport-arrangements will be necessary?

ye think the Dept will have to certainly go-
Certain arrangements ~~———~~ ctions made as early
as possible. E No. 16 – 99

SERIAL No. 4

(a) 200 Khaki breeches ~~(2½ lbs)~~ of the pattern
lately received from the Elgin mills should be
ordered from the Elgin mills. Cawnpore at once.

(b) Mr. Tate should be asked to get the pattern
cart & harness ready at the earliest possible
date, so that early orders may issue for the
carts & harness required.

(c) I understand that the Railway workshops have
promised to provide 150 carts within 3 months
of the receipt of the order. But probably 80–100
would amply suffice for the actual requirements
of the Camp.

(d) The drill sheds canvas tarpaulins for harness
carts, & the drill sheds canvas waterproof
sheets to hold the mess kits & form tents d'abri
if required, should be made up as soon as the
material is received from England.

(e) The hospital, veterinary, signalling, pioneer
& office equipments should be overhauled – Also
3 months supply of quartermasters stores &

armourers & saddlers shops (vide Tables V-XI inclusive) Field Service Equipment Tables, Sq 6).

(f) A revised edition of these Field Service Equipment Tables altered to suit the revised establishment will be issued in a month or so - the proofs go to Simla tomorrow - Please state how many copies will be required for the use of the Army Store Corps.

(g) Kindly call in & send to me as many copies as possible of the present edition, such as are not required for immediate reference pending the issue of the new edition.

(h) The transport at present in possession should be got rid, & 80 pairs of panniers framed to double mules, for use in the transport carts which it is proposed will be ready in time -

(i) Farriers charges from 1st Oct should be settled

(k) Horses & transport animals should be branded.
